

Discussion

What do you think the mood would be at the beginning, middle and end of the river? Why?

Describe the journey of the river using your senses.

Draw what you imagine the river looks like, think about the words you have learnt so far:

Describe your drawing using the synonyms you discovered earlier:

trickles

flows in very small amounts

steep

a steep slope rises at a very sharp angle and is difficult to go up

tumbles

falls with a rolling or bouncing movement

widens

becomes greater in measurement from one side to the other

landscape

everything you can see when you look across an area of land

resembling

to possess some similarity; to be like

banks

the land along the edge of a river

wildlife

animals and other living things that live in the wild

destination

the end of a journey or voyage

finally

at the end or final point; lastly

flows in very small amounts
